

# Mercer County 4-H Club List & Descriptions

## 2019-2020 PROJECT-BASED CLUBS

### ANIMALS

#### **Whoa & Go Horse Club** **Accepting new members**

Through meetings, trips and clinics, youth will learn all aspects of horsemanship from the hoof up! No prior experience is needed. Meetings are held on Sunday mornings at the Mercer County Stables.  
**grades K-13.**

#### **Clever Clovers Livestock Club** **Only Accepting sheep and goat members**

Learn how to take care of, judge, and show goats, sheep, poultry, and rabbits. Show off your skills and knowledge at the Mercer County 4-H fair, other county fairs and at skill-a-thons. Meetings are held in the Allentown area on the 1<sup>st</sup> Sunday of the month at 2:00 pm.  
This club is open to youth in **grades K-13.**

### ARTS

#### **Snip & Stitch Sewing Club** **Accepting new members 4<sup>th</sup> grade and older**

Learn the basics of sewing. Create your own clothes and accessories. Meetings are held at the 4-H Office, on the 1<sup>st</sup> & 3<sup>rd</sup> Tuesdays of the month, from 6:30-8:00pm.  
This club is opened to youth in **grades 4-13.**

#### **INACTIVE 4-H Junior Master Chefs** **Club needs adult leadership, please contact the 4-H office if interested**

Using our brand new teaching kitchens, have some fun cooking up something tasty and healthy!

### AGRICULTURE & ANIMALS

#### **NEW Seeds of Green 4-H Club** **Accepting new members**

Do you enjoy the outdoors and getting your hands dirty? Do you love animals and want to learn to care for them? Have you ever grown your own food? Did you know you can farm right in your own backyard? Are you curious about sustainability and stewardship? The new 4-H Sustainability Club of Mercer County just might be for you! The focus of this club will be to connect with the land and learn the importance of environmental stewardship.  
Meetings are held the third Sunday afternoon of the month in Lawrence. This club is opened to youth in **grades 4-13.**

## SCIENCE

### **4-H Lets Move It, Move It Club** *Currently Inactive. Club needs adult leadership, please contact the 4-H office if interested*

If you like to build, create and explore this club is for you! With a foundation in engineering but branching off to wherever our discoveries take us. The club meets once to twice a month on Mondays from 6:30 – 8:00 PM in Hamilton. Come on out and join in the fun, make new friends and discoveries! **grades 1-5.**

### **Treasuring the Trash** *Currently accepting new members*

This club focuses its energy on sustainability projects like composting, recycling and the use of rain-barrels to help the environment! Meetings are held in the Princeton area on the 1<sup>st</sup> Sunday of each month at 4:00 pm.

### **siSTEM.io 4-H Robotics Club** *Currently accepting new members*

We are an all-girls robotics team. Our mission is to share our passion in engineering and generate interest for STEM among young girls. We have been participating in FIRST Robotics competitions for 4 years and have won many awards for our work which includes district, state championships and the prestigious Judges Award at Robotics World championship in 2016-2017. West Windsor-Plainsboro area, **grades 7 – 9.**

### **Robbinsville Innovation 4-H Club** *Currently not accepting new members*

We are a Science innovation Club. Our club's main mission is to bring awareness and create interest about STEAM among the young generation in their individual field of interest. We conduct our club Maker Fairs at the end of the academic year. The club meets once every Sunday from 10 a.m. to 12 p.m. at Robbinsville Middle School facilities. **grades 4 – 12.**

## SERVICE

### **Teen Council** *Currently Accepting new members*

Learn leadership, citizenship & life skills in this teen-specific club (**grades 8-13**). Go to Teen Winter Camp and participate in the South Jersey Teen Conference! Meetings are held at the 4-H Office, from 7:00-8:00pm, on the 2<sup>nd</sup> Tuesday of the month.

*Cooperating Agencies:* Rutgers, The State University of New Jersey, U.S. Department of Agriculture, and County Boards of Chosen Freeholders. Rutgers Cooperative Extension, a unit of the Rutgers New Jersey Agricultural Experiment Station, is an equal opportunity program provider and employer.
