

Do you have a talent you would like to display?

Each year at the **Mercer County 4-H Fair**, the general public is given a chance to show off their creativity in a variety of ways from sewing projects, fine arts, photography, woodworking and more!

This year, more than ever, let's come together as a community to inspire and strengthen each other by sharing what we have created since our last fair.

To be a part of this community event, bring your projects (*in any or all categories listed in the box below*) to **Howell Living History Farm** on **Thursday, July 29th or Friday, July 30th from 3 pm - 7 pm.**

Entry forms will be available during exhibit entry on Thursday and Friday.

Judging will not be a part of the event this year. Instead, fairgoers will have a chance on Saturday, July 31st to vote for their favorite entry in each of the categories listed below. Ribbons will be awarded to those selected as the fairgoers' favorite!
