Poultry Eligibility

1. All animals must be owned by the exhibitor 60 days prior to the show.
2. Poultry must be 12 weeks old (3 months) to be shown.

Entering the Show

1. Please pay close attention to the deadlines on the entry forms and send in your entries as early as possible. No phone entries and no day of show entries will be accepted. All information must be included on your entry form.
2. The entry fee is \$5.00 per animal. The entry fee will assist in covering the cost of running the show. Entries must be **postmarked by July 20, 2023**.
3. Please make all checks payable to **Clever Clovers 4-H Club**. Entry fees are still due for poultry that are scratched from the show or who are excused by the judge or who fail the health check.
4. The show will take place outside in a tent with a grass floor. Exhibitors should be prepared for extreme summer weather or rain.
5. This is a box show. **Please bring poultry in a see-through cage with a solid bottom.**

Health Requirements:

1. All animals entering the show must have the New Jersey Department of Agriculture 4-H Poultry Health Form. The New Jersey Department of Agriculture Pullorum Form must be presented at registration.
2. All animals will be subject to a health check prior to showing.
3. Any animal suspected of having a health problem by a judge or the show

superintendent must be removed from the show grounds **immediately**.

4. If the weather is extremely hot, the show committee recommends packing frozen ice bottles, remaining with the animals to monitor their condition, and if necessary, removing them from the show grounds to a cooler environment.

General Show Information:

1. Chickens in individual cages must be set up where directed on day of show **no later than 9:30 a.m.** You may arrive starting at 8:00 a.m.

2. Exhibitors are responsible for their own exhibits, including grooming and carrying to and from tables. Exhibitors must be present at the show when the animal is being judged. Another 4-H member may carry an animal to the table if the member is being judged with another animal.

3. Cloverbuds will be in their own showmanship class, and their birds will not be judged – but they will be recognized for participation.

4. Showmanship classes will be broken into Cloverbuds (participation only), junior (4-8th graders), and senior classes (9-13th graders).

5. All poultry will be judged according to APA standards. Judge's decisions are FINAL.

6. This is a carrying cage show. Cages should be see-through and have solid bottoms. All animals must be adequately caged. All entrants are responsible for their own equipment and clean-up.

7. The Show Committee reserves the right to substitute and/or add judges.
